## Universal Surface Double Outlet Ref. 21101

### Characteristics

Universal Surface Outlet for 1 or 2 Systemax or Keystone Modules.

Includes 2 adapters for Keystone modules and 1 blank adapter

With 20mm extender, giving a greater depth to the outlet, allowing proper installation of the modules while keeping the curvature of the cables.

Simplified installation, only requires the attachment of the extender, the outlet body is fixed by fitting.

Available in RAL9010.
