Cable Organizer w/ Metallic Cover 1U
Ref. 40017-75

Characteristics

Cable organizer 1U with metallic cover and an improved system for fixing the metal cover in place.

The new model excludes the plastic pin cover fixing for routing patchcords keeping the clean look of the rack.

The laminate steel construction with laser cutting ensures a perfect finish, with no sharp edges to avoid cable damage.

Base with two openings which allows the routing of cables to the rear, in particular for connection to equipment.
