**Cable Organizer 5 Rings 1U**  
Ref. 40060

## Characteristics

Horizontal cable organizer with 5 nylon rings. In the extreme, the rings are adjustable vertically or horizontally.

Rings in nylon and fiberglass for higher strength and flexibility, not damaging the cables.

Great for organizing smaller cable bundles. Approximate capacity of 24 cable per ring.

New model of fitting the Rings, making it easier to fit in the metallic panel.
