## Cable Organizer w/ double Brush 1U Center Opening - Ref. 40062-PD

### Characteristics

Cable organizer with double brush, center opening.

Designed to offer an alternative to horizontal cable management, for instance in situations of excessive cables or to routing cables to the rear of the rack.

Nylon brush, giving a clean and tidy appearance to the product, while reducing the dust entry.

The double pair of brush increase the efficiency over the single one.
