Cable Organizers
Horizontal

Cable Organizer w/ Brush 1U Bottom Opening - Ref. 40066

Characteristics

Cable organizer with brush, bottom opening.

Designed to offer an alternative to horizontal cable management, for instance in situations of excessive cables or to routing cables to the rear of the rack.

Nylon brush, giving a clean and tidy appearance to the product, while reducing the dust entry.

Horizontal installation, with the brush down, reversed or in pairs creating double the space for cable entry.
