19" Rack Shelves
Fixed

Fixed Shelf 730mm
1U 19" - Ref. 40091

Characteristics

Fixed vented shelf 600mm, designed for 19" racks cabinets with front and rear fixing.

19" assembly with four anchoring points on the front/rear sections.

For placement of heavy equipment such as monitors and UPS that do not have 19" fixation.

Robust construction with central reinforcement.

Punched shelf maximizing airflow and prevents hot spots, while maintaining structural integrity.

With mounting brackets to adjust the depth of the shelf.
