Surface Outlet 45x45 Extended Ref. 26803

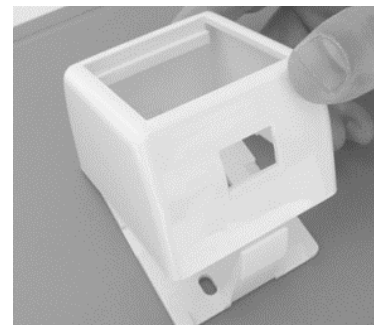

Characteristics

Surface Outlet 45x45 with 20mm extender, giving a greater depth to the outlet, allowing proper installation of the modules while keeping the curvature of the cables. Allows the installation of structured cabling clips, schuko, switches or any other 45x45 mechanisms. Simplified installation, only requires the attachment of the extender, the outlet body is fixed by fitting. Available in RAL 9010 and RAL 9003.
